Dear Dr. McAllister:

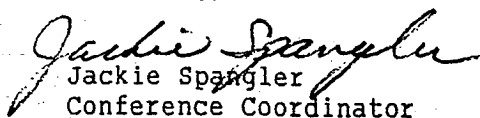

We are pleased to acknowledge and accept with thanks the checks from The Council for Tobacco Research - U.S.A., Inc. in the amount of \$1000 to support of the FASEB Summer Research Conference on "GI Tract IV," August 4-9, 1991, and \$1,000 in support of "Cellular and Molecular Genetics," July 7-12, 1991. The Federation and the scientists who comprise it are appreciative of your interest in assisting us to improve scientific communication. The funds will be used by the chairpersons of the conferences, Dr. Michael Gershon, and Dr. Kathryn Calame respectively, to defray the travel and registration expenses for some of the speakers.

We extend an invitation to the scientists of your organization who are interested in attending any of the FASEB Summer Research Conferences. In 1991 there will again be eighteen conferences held under our auspices - ten in Saxtons River, Vermont, and eight at our second site in Copper Mountain, Colorado.

I have also enclosed for your interest a copy of the FASEB Public Affairs Newsletter. The Newsletter is published monthly by our Office of Public Affairs to keep Federation members and other readers abreast of the latest developments in Congress and in Executive Branch agencies that may affect biomedical and biological research.

Please express to the appropriate officials our thanks and appreciation for your generous support of this conference.

Sincerely,

Jackie Spangler
Conference Coordinator
